1. The Soviets have a pressing need for an additional 100 thousand workers from the satellite countries because of the urgency of completing the Volga-Don canal and the central water power works at Tsymlyanskaya, which must be finished by the beginning of 1952.
2. The Volga-Don canal, coupled with completion of the Danube-Black Sea canal, will permit shipment by boat as far as Vienna of all war materiel produced in the Urals and Donets basin.
